A) Florida Law Chapter 2022-34 Committee Substitute for Senate Bill No.988

B) Resident Essential Caregiver Designation Form

C) Essential Caregiver Acceptance Form

### **Purpose**

In-Person Visitation bill has been signed into law, creating Chapter 408.823, which is subject “In-person visitation.” This policy and these and procedures are intended to serve as a sample for assisted living facilities to comply with the regulations set forth in Chapter 408.823, Florida Statutes. A resident may designate a visitor who is a family member, friend, guardian, or other individual as an essential caregiver.

### **Policy**

The following are the procedures to be followed to identify Essential Caregivers for residents and the expectations. These procedures will be administered equally to all residents that request to have an essential caregiver, without regard to race, color, religion, sex (including gender identity and transgender status), age, national origin, disability, or veteran status.

Essential caregiver visitors provide emotional support to help a resident deal with a difficult transition or loss, upsetting event, making major medical decisions, needs cueing to eat and drink, stops speaking, or end-of-life. Essential caregiver visitors may be allowed entry into facilities on a limited basis for these specific purposes. The provider must allow at a minimum in-person visitation for at least 2-hours daily under these circumstances. At Berryhill Manor , the 2-hour visitation will be between 9:00 a.m. – 9:00 p.m. Berryhill Manor will make exceptions to the 2-hour visitation on a case-by-case basis for end-of-life residents. These exceptions will be discussed and agreed upon in writing by the facility’s Administrator and the resident’s responsible party.
